MISSION

Intersection of Change (IOC) strengthens West Baltimore through recovery housing, arts education, and community revitalization.

IOC operates three interconnected programs that expand health, safety, learning, and opportunity:

Martha's Place

Long-term recovery housing and wraparound services for women overcoming substance use and homelessness.

Jubilee Arts

Multigenerational arts education, exhibitions, and youth workforce pathways, including Youth in Business.

Strength to Love II

A 1.5-acre urban farm with 14 high-tunnel greenhouses that advances food access and workforce development.

2024 HIGHLIGHTS

Our programs operated year-round to serve the Sandtown-Winchester, Upton, and surrounding West Baltimore communities using our own program staff plus strong partnerships with fellow community nonprofits, government, schools, others.

\$1,142,647

Revenue

\$1,179,277

Expenses

Thank you to donors, partners, and neighbors for advancing creativity, healing, and opportunity in West Baltimore.

PROGRAM OUTCOMES

Programs are priced for accessibility. Subsidized classes, stipends, materials, and transit supports reduce participation barriers for youth and adults.

Jubilee Arts

2,225

Participants Served

Participants engaged across 2024 through classes, exhibits, and cultural events and Youth in Business.

- Four seasonal terms of classes in ceramics, visual arts, dance, and business plus monthly exhibits and public showcases.
- Youth in Business: Teens designed, produced, and sold original products with alumni mentorship, culminating in public sales events and a fashion show.

Martha's Place

25

Residents Engaged

63%

Long Term Success Rate

Safe, stable recovery housing with case management, financial education, wellness classes, and employment guidance.

- Long-term successful recovery rate of 60% since 2005 as defined by leaving the program clean and sober with a job and housing
- Volunteers led in-home recovery groups, planned celebration events, and facilitated social gatherings that helped strengthen peer connection and reduce isolation.

Strength to Love II (S2L2)

6

Workforce Trainees

7850+ lbs

Harvest Distributed

450

Volunteers

1

Reclaimed Hoop House

Year-round 1.5 acre farm addressed food access and workforce development programming.

- Installed a 1/4 acre perennial wildflower garden along Fulton Ave and Lorman St
- Supplied local health center, Total Health Care, with farm to table vegetables for cooking classes and patient CSA shares
- Training program employing Baltimore teens in agriculture-based workforce development

WAYS TO ENGAGE

Invest

Multi-year operating support, teaching artist stipends, youth stipends, and farm operations.

Attend

Exhibits, showcases, and corridor activations.

Volunteer

Community workdays at the farm and event support.

Partner

Host a wellness workshop, sponsor a program or event.
